Through My Eyes by Bridges

2022 Summer Reading Challenge

Dear Parent/Guardian,

With summer upon us, we hope everyone has an opportunity to enjoy outdoor activities or just relaxing with a good book! White Township School would like to invite students to participate in our 2022 Summer Reading Challenge. Our goal is to keep students growing as readers over summer vacation. We appreciate your support as you encourage your child to enjoy wonderful children's books or young adult literature from your book collection at home, through eBook resources, and local libraries.

Students are challenged to read as many books as possible. As your child reads over the summer, we ask that the books read, either together or independently, are recorded on the [Summer Reading Log](#). Please include the book title, author, number of pages, as well as parent's initials when completing the log. Students will need to hand in reading logs during the first week of school in September. Each child who participates in the Summer Reading Challenge will be recognized for their efforts this fall. Stay tuned for more details!

Grade 3-5 Challenge

Read 3-4 (or more) chapter books or novels.

Please feel free to contact Mrs. Mulligan at mulligan@whitetwpsd.org if you have any questions about the program. Have a wonderful summer and happy reading!

Find "Just Right Books" with the...

FIVE FINGER RULE!

Choose a book and read the first page or two.

Put one finger up for every word you don't know.

If five of your fingers go up while reading, choose another book.

If only two or three fingers go up, you've found a "just right" book.

Links below are for additional summer reading lists and tools to help with book selection.
